LUNCH MEETINGS:

SENIOR UPDATES:

ANNOUNCEMENTS:

Attention students who have signed up for Honors and/or AP course(s) next year, please check the CNEC Website (under Academics, under Advanced Placement Classes), there you will find the links to the complete list of Honors and AP summer assignment(s). Almost all Honors or AP courses have a summer assignment. These assignments are part of the requirement for the course. Please make sure you get them completed. If you have any questions about the assignment, please feel free to contact the instructor of the course directly.

Granite Ridge Girls- looking for a fun summer challenge- sign up to attend the STEM Camp for Girls at CNEC. Use our 3D printers, build a robot, create a video game and visit the NASA Ames Research Center. See Mrs. Allen in 187 for more details.

All items left in the Lost and Found will be donated on the last day of school.

Principal's Medallion/CJSF Award Recipients: If you have not received your photo from ceremony, please go by the Laredo Cluster Office by Friday, June 8th and pick up your photo.
