Coursework

Criminal Justice

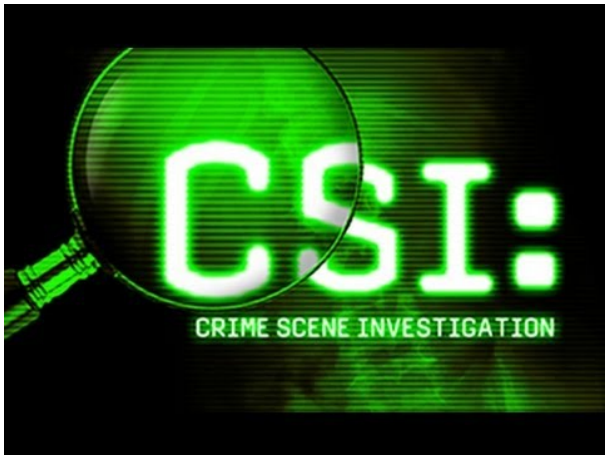
This course focuses on the career opportunities offered in criminal justice. Jobs in law enforcement, corrections, probation, parole, courts, and many more.

Criminal Investigation

This course focuses on teaching the students the skills necessary to conduct all aspects of a criminal investigation to include processing the crime scenes.

Certifications

First Aid / CPR



Students will participate in interactive role playing scenarios. These opportunities include shoot/don't shoot scenarios, pat searches, mock traffic stops, handcuffing, team building, and processing of crime scenes.

Public Safety Pathway

"Preparing future law enforcement personnel to serve and protect."

Clovis East High School

2021-2022

Clovis Unified School District

Course Location

This course is offered only at Clovis East High School at this time. Transportation is available from Clovis High and students from other sites must have their own transportation to and from class.

Wonder Valley Teambuilding

"You made me look at things differently. Thanks for making my senior year so much fun!"
Buchanan High Student

Student Competitions

Each year students get an opportunity to compete in the Career Skills Challenge and the Protective Services Day competition. Students get the opportunity to compete against other high schools from the Central Valley.
