

Zangle Parent Connect

You can retrieve you PIN and Password by following these easy steps:

- *Log on to our website www.cusd.com*
- *Click on the word Parents just below our address in the blue line*
- *Click on the word ParentConnect on the left side below the picture*
- *Click on Login to Parent Connection*
- *Click on the link Need your Login Information?*

Your PIN and Password will automatically be emailed to you within seconds as long as we have your current email address. If you receive the message below it means we either have no email address on file or one that is not current. Please email me (dianetesta@cusd.com) with your correct email address so I can update the records and you can retrieve your PIN and Password.

“Unable to Process Request”

That email address is not on file. If the email address entered is correct, please contact your student's school for further information.

Thank you.
