## UC Personal Insight Questions

### **Upload response to school Google account or flash drive**

You will have 8 questions to choose from. You must respond to only 4 of the 8 questions.

Each response is limited to a maximum of 350 words.

Which questions you choose to answer is entirely up to you: But you should select questions that are most relevant to your experience and that best reflect your individual circumstances.

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. Think about an academic subject that inspires you. Describe how you have furthered this interest inside and/or outside of the classroom.
7. What have you done to make your school or your community a better place?
8. Beyond what has already been shared in your application, what do you believe makes you stand out as a strong candidate for admissions to the University of California?

## **Common Application Supplemental Questions**

### **Upload response to school Google account or flash drive.**

Respond to one of the prompts. The word limit on the essay will remain at 650.

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from *obstacles we encounter* can be fundamental to later success. Recount a time when you faced a *challenge, setback, or failure*. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you *questioned* or challenged a belief or idea. What prompted your *thinking*? What was *the outcome*?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma - anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. *Discuss an accomplishment, event, or realization that* sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.
