

PSAT TEST
Practice SAT Test
CLOVIS NORTH EDUCATIONAL CENTER
October 25, 2017
Grade 10

The Clovis North Educational Center counseling staff recommends that your son/daughter take the PSAT during 10th. This test provides an excellent opportunity to participate in a National testing program, and can be an effective diagnostic tool. There is no passing score for this test. Uses for the PSAT are as follows:

- A practice test for the SAT Reasoning Test;
- **Opportunities for juniors to enter scholarship competitions and receive recognition as a National Merit Scholar;**
- An avenue for connecting students to colleges and scholarship organizations;
- A comprehensive report with information about every question – including correct answers, student responses, and difficulty level, along with student’s own test booklet.

This year the PSAT will be given on **Wednesday, October 25, 2017**. Please return this form and **\$19.00** fee to **Mrs. Nixon** in the **Library** by **Friday, September 15, 2017**. Mrs. Nixon is available to receive the registration form & payment before school, during lunch, and after school.

****NO MAKE UPS OR REFUNDS ****
