

UNI-TRACK

WHAT IS UNI-TRACK?

The Uni-Track Program at California State University, Fresno allows dual enrollment for high school students, who can earn college credits while enrolled in an approved Uni-Track course. Students can request a Fresno State transcript upon completion of the coursework. High School and ROP teachers are eligible to become adjunct professor/faculty members upon meeting university department qualifications to teach a Uni-Track course.

WHO CAN PARTICIPATE?

Any junior or senior student who is enrolled in: AP US History, AP Government, AP Macro/Micro economics, AP Calculus AB, AP Calculus BC, AP Stats, AP French, AP Spanish, and specific CTE and CART classes .

The number of courses the student is taking will determine his/her registration fees. Students must turn in the Uni-track registration and fees during the designated registration period (Sept/Oct) to their teacher(s). Students must register and pay for their registration fees online.

HOW DO YOU RECEIVE COLLEGE CREDITS?

At the end of the semester, your teacher will submit a final grade to CSU Fresno. The grade the student earned is the grade that will be posted to their official transcript from CSU Fresno. When you apply to college, you can request a transcript from CSU Fresno that will indicate that you took the CNHS class as a CSU Fresno equivalent.
