Please read this VERY carefully and thoroughly.

The following is the summer work for my AP Psychology class. I encourage you to not wait till the last minute to start on these assignments. Everything is laid out in a comprehensible fashion, but if you do have any questions, please email me and I will get back to you in a timely manner.

You will take a matching “Key Terms” quiz for all the key terms in Chapter 1 on the first day of class, and the Ch. 1 Exam on the third day of class, so BE READY when you walk in the door! If your assignments are not submitted when called for in-class, the assignments will be considered late. Here are the assignments you need to finish:

1. Read chapter one of our textbook (see attachment). This is a PDF file that you can save to your computer and print. If you have trouble with this file, you can find it on the internet at http://www.cengagebrain.com/shop/content/kalat0289x_049510289x_02.01_chapter01.pdf
2. Create Flashcards for each key term in Chapter 1. Use a binder clip to keep flashcards together.
DUE: 8/21/17
3. Recreate AP Psych Intro Letter (see attachment). This must be typed.
DUE: 8/21/17
