

Clovis North Girls Soccer 2022 Training & Tryout Information

I would like to welcome all of you to the Clovis North Girls Championship Soccer Program. The soccer program is aimed to maximize a player's potential from 7th grade at Granite Ridge through senior year at Clovis North. Our goal is to develop complete players athletically, academically, and socially so that by their junior and senior year in high school they are ready for varsity soccer.

Paperwork needed to be turned in to train & tryout

You must have an up to date Athletic/Physical/Emergency information approved by the Athletic Department. No player will be allowed to tryout without clearance from the Athletic Department. Athletic packets are now all done online and can be found on the Clovis North website. Please take the time to check for all the necessary clearance forms in order to tryout.

General Tryout Information

- *Tryouts will begin Monday October 24th from 3:30pm to 5:15pm.*
- *Players demonstrating varsity potential will be invited to the varsity tryouts throughout the tryout process.*
- *Tryouts will last for several days. Coaches will notify players of cuts and placement earned throughout tryouts. Players are always evaluated over the course of the season and may be moved from team to team throughout the season. All players are treated as young women and need to discuss any questions they may have with the coaches. We encourage the players, rather than the parents, to talk to the coaches about their tryout and placement.*
- *All Fall sport athletes can and must tryout as soon as their seasons have ended. Please check in with me before school, at lunch, or after school during tryouts.*
- *All players should come prepared with proper soccer attire, cleats, shin guards, ball, running shoes, water, etc.*
- *Only players are permitted around the field during tryouts with coaches and invited guests. We welcome parents to watch at a respectable distance to allow uninterrupted tryouts and instruction.*

Tryout Schedule:

- *JV & Freshmen Tryouts @ CN JV & Fr Soccer Field #3 from 3:30 – 5:15 beginning Tuesday October 24th.*
- *Varsity Tryouts @ CNV Soccer Field #6 from 3:30-5:15 beginning Tuesday October 24th.*

What we are looking for, not just during tryouts, but Every Day.

- *Technical and Tactical Skill*
- *Experience and Coachability*
- *Teamwork and Attitude(No "I" in team)*
- *Effort in practice (100% all the time)*
- *Fitness, Speed and Agility*

****Cuts are an unfortunate reality of high school soccer. No player is guaranteed a spot on any team, even returning players. A roster spot must be earned each year. Many players have the necessary skills to play high school varsity soccer, but skill is not enough. You must stand out and play with intensity. There are only a few days to make an impression so make the best of your opportunity.***

Let's have a great season. Leave it on the field. Go Broncos! Coach Pap
