SENIOR UPDATES:

COLLEGE VISITS:

ANNOUNCEMENTS:

Attention students who have signed up for Honors and/or AP course(s) next year, please check the CNEC Website (under Academics, under Advanced Placement Classes), there you will find the links to the complete list of Honors and AP summer assignment(s). Majority of our Honors or AP courses have a summer assignment. These assignments are part of the requirement for the course. Please make sure you get them completed. Some courses require that you check out a textbook, before you leave for summer break, so please make sure you do that, before June 7th. If you have any questions about the assignment, please feel free to contact the instructor of the course directly.

There are many unclaimed items in the Lost and Found in Student Services. Items will be donated on June 7 if unclaimed. Stop by to see if anything you lost has been turned in.

Interested in getting fit or being a part of one a very successful program? Meets this fall include Arroyo Grande, San Francisco and Portland! Join the cross-country team! See Mr. Lienau in room 164 for details!
