

Clovis North Educational Center Diversity Education Council IDAC Meeting Agenda

October 21, 2019
Lecture Hall

I. Welcome, Introductions & Purpose

II. Transition Services

Mr. Kevin Miller (Transition Coordinator) presented on the purpose of the Transition Department. Mr. Miller discussed how LCAP funds were designated to serve the 3 subgroups (1. Foster Youth/Homeless, 2. SED and 3. EL) students. The transition team works with students who are dealing with a variety of issues such as anxiety, homeless, parents incarcerated, depression, anger management, lack of motivation, academic support, isolation, etc. The transition team utilizes a variety of approaches to support students in need. The goal is to provide assistance, support, and mentorship to eventually remove interventions in hopes of students becoming successfully independent.

III. Mental Health Awareness

a. Student Support and Services

Mrs. Julie Barrett (Mental Health Counselor) reviewed the services available to all students on campus. Mrs. Barrett discussed the increase in students who are being referred to Exodus and how we service students with mental health concerns at our site. The site's flowchart (attached) was reviewed with parents. This flowchart provides information to our students on who to turn to when there is a concern.

IV. Vaping and Opioids Presentation

V. Mr. Tom Wright (Learning Director Student Services) presented on the warning signs, ramifications and data of opioids and vaping. Mr. Wright provided examples of what parents should be looking for and side effects of students utilizing opioids and/or vaping.

VI. Other Topics

- Parents shared out to have more parents attend, it may be necessary to inform the community what the topics are prior to the meeting.
- Discuss Top 3 stressors that affect our students at the Tier 1 level and what are we doing to support these students
- More diversity trainings are necessary for staff district wide.
- Provide the notes/videos to tonight's meeting online.
