# CLOVIS NORTH EDUCATIONAL CENTER IDAC MEETING MINUTES

Location: Lecture Hall

Date: Monday, December 9, 2024

Time: 5:30pm

## Welcome, Introductions

5:33pm Jon opened the meeting welcoming and thanked everyone for attending.

## IDAC Purpose

Went over the purpose/history of the Intercultural Diversity Council meeting, explained past issues that have occurred and what the district has done and continues to do to prevent racial issues. He discussed how important communication is to our community it. The thing that we have noticed here at CNEC is how the demographics have changed over the years. Over the last 4-5 years CNEC has tried to create awareness and get students of all cultures involved. Ex: Clubs, Diversity Council that meet monthly. Jon discussed our Unity Week and Inspire Event and how they give students an opportunity to show other students and staff their culture.

## Campus Involvement

- PASA Meeting
- Black Student Advisory Group
- Academics

## Site Feedback

Chaney explained how much Unity Week brought all students together and how it was so great to see. Chaney discussed how important attendance to this parent meeting. Asked for thoughts and ideas that may draw in more parents to IDAC meetings.

Jon discussed how important discipline with Racial incidents are and how important Dr. Shapiro takes them.

A parent spoke on how most parents only show up when there is an issue, it's unfortunate because input is still needed. He also stated that most think our IDAC meetings do not make a difference, and he can say that he has witnessed firsthand what we do and appreciates all that CNEC does to create unity on campus.

A parent shared ways to get parents involved Awards ceremony, adding IDAC to campus events Ex: Buchanan added it to a Hmong New Year Event. Alicynne suggests adding zoom as an option to bring in the participation of parents.

## Questions

Jon thanked everyone for coming, closed the meeting asking if there were any questions. The meeting ended at pm.
