Calling all students! Do you like to doodle? Can you draw on a sticky note? Then consider sending in your miniature artwork to Mrs. Myers in room 550. These sticky notes will help to create a LARGE art piece that will be later featured at Art Hop! The deadline to submit is April 19th!

The visual art department would like to formally invite all students and staff to this year's ART HOP on the 25th of April. What is art hop? Art hop is a celebration of the visual arts – photography, ceramics, drawing, and painting. All artwork that has been created in the 23/24 school year, will be on display! This event will take place before school and during lunch in the 500 wings! Be sure to check it out!
